Mainstream Construction Secures Third Contract to Build ALCO Store

ALTAMONTE SPRINGS, Fla., January 7, 2008 – Mainstream Construction Group, Inc., has won a third contract with development company, Fred Hand Properties of Atlanta, Ga., to provide general contracting services for a new ALCO store in Pembroke, Ga. The \$2.3 million contract calls for the construction of a nearly 25,400-square-foot location for the general retail merchandiser.

The architect of record is Ellis Myers Architect of Atlanta, Ga.

To date, Mainstream has completed two other ALCO stores in Georgia for this developer totaling \$3.8 million in work for the Altamonte Springs, Fla.,-based construction services company.

Duckwall-ALCO Stores, Inc. is a general retail merchandiser serving rural areas with more than 250 stores operating under two brand names - Duckwall and ALCO.
