Developer Awards Contract to Mainstream Construction Group

ALTAMONTE SPRINGS, Fla., November 27, 2007 – Mainstream Construction Group, Inc. announced a \$750,000 contract with commercial developer, The Buchalter Company of Birmingham, Ala., for general contracting services to build a new Dollar General store in Minneola, Fla. The new 9,100-square-foot, one-story design is being constructed using a Nucor metal building system prototype created by Mainstream for this store brand. The project has a 57-day construction schedule from the time the permit is issued.

Robert Walker of Birmingham, Ala., is the architect of record.
