Mainstream Completes New Crispers Restaurant

ALTAMONTE SPRINGS, FLA., December 14, 2006 – Mainstream Construction Group, Inc. completed construction of its latest Crispers Fresh Salads & Such restaurant this week in the Boardwalk Suntree shopping center in Melbourne, Fla. Providing general contracting services, Mainstream completed the new 3,600-square-foot prototype in just 60 days. Mainstream Construction Group, as the exclusive contractors for Crispers, has built 40 restaurants for the Florida-based gourmet salad, soup and sandwich chain. Publix is the majority owner of Crispers.
