**Mainstream Construction Adds New Restaurant Brand Name to Its Roster**

ALTAMONTE SPRINGS, Fla., December 18, 2007 – Mainstream Construction Group, Inc., retail and restaurant construction specialists, announced today its first contract to build a Santa Fe Cattle Co. steakhouse. The \$1.25 million contract calls for the construction of a 6,000-square-foot, 172-seat restaurant in Troy, Ala. The owner is Santa Fe Holding Co., Inc. The Innovations Group, LLC, Franklin, Tenn., provided architectural design. The project is due for completion in the first quarter of 2008.

Founded in 1996, Santa Fe Cattle Co. (OLT:SFHD) is a restaurant chain of steakhouses featuring Texas-style steaks, ribs and fajitas. The Company is headquartered in Brentwood, Tenn.
