**Mainstream Construction Group Appoints New
Controller/Business Manager**

ALTAMONTE SPRINGS, FLA., May 25, 2007 – Angela D. Wilson has been appointed controller/business manager at Mainstream Construction Group, Inc., a specialist in small box retail, restaurant and commercial construction. Wilson brings more than eight years of experience in the construction industry to her responsibilities for managing the Company's administrative support team. She has an associate degree in business from Brevard Community College, Cocoa, Fla., and is a Certified Construction Industry Technician.

“Angela is an important addition to our team with her strong background in all aspects of managing a construction company,” said John J. O'Donnell, president, Mainstream Construction Group.
