

Mainstream Construction Group Names Estimating Manager

ALTAMONTE SPRINGS, FLA., November 14, 2006 – Jeffrey A. Fuller has been named estimating manager at Mainstream Construction Group, Inc., a specialist in small box retail, restaurant and commercial construction. The twenty-five year veteran of the commercial construction industry oversees the department responsible for pre-construction, budgeting and estimating services at the Central Florida-based contracting company. Fuller has a bachelor of science in building science from Auburn University's School of Architecture.
