

Mainstream Announces New Restaurant Contract

ALTAMONTE SPRINGS, FLA., December 1, 2006 – Mainstream Construction Group, Inc. is pleased to announce its most recent contract with Crispers Fresh Salads & Such for a new standalone restaurant in Port Charlotte, Fla. According to John J. O'Donnell, president, Mainstream Construction Group, the construction company will adapt Crispers' largest prototypical design to the site. The 5,400-square-foot eatery is under construction at the corner of Peachland and Cochran Boulevards in the Southwest Florida community. The new restaurant is scheduled for completion in the first quarter of 2007.

Mainstream Construction Group, as the exclusive contractor for Crisper's, has completed 40 units, has two under construction, three in permitting and four in design for the for the restaurant chain. Publix is the majority owner of Crispers.
